

THAVHA TSIWANA

I am a young dynamic, energetic man who is passionate about his career. I currently hold a BSc Nuclear Science and Engineering Degree (Physics Major) from the University of the Witwatersrand (Wits), completed my Data Science training at EXPLORE DATA SCIENCE ACADEMY and I am AWS certified cloud practitioner. I love working around different people in teamwork, to build strong communication with people, to share the knowledge and experience that I have gain during my studies.
